Lunch is served - 11.30am - 3pm

Tea & coffee is served from 9am - 4.30pm.

## Are you taking bookings?

The Café is now operating for walk-ins only.

Currently we are not taking bookings.

## How do we place an order?

Customers can order through the new Craigie's App and receive table service. We will remain cashless for the time being, and all payments can be made at the table. It's a popular and safe way to order your food and ensure a secure transaction.

## Where can we download the app?

There will be a QR code on your table for you to download from.

Simply open up your camera on your phone & scan over the code. It will then open this link (which can also be copied here) - <https://craigies.digitaltable.cloud>

## Where can we see the drinks menu?

By heading to the app via the link above, you'll see all hot & cold drinks available. From a number of different types of coffees, to freshly squeezed juice, lemonades and lots more.

## Dietary Support

We are proud to use locally-sourced produce in our meals wherever possible and are happy to cater to a variety of dietary requirements from vegan to veggie, to GF and dairy free - simply make us aware of these when making your order so we can advise you on the available options.
