### PASSIONATE ABOUT PROVENANCE

John + Kirsteen are passionate about quality locally-grown food of absolute provenance. Their high standards can be seen across all aspects of the business from the food we serve, the products we stock and the fruit + vegetables we grow

We own and operate our own Butchery offering quality meat from local farms, our in-house Bakery team carefully prepare all our breads, cakes and many of our deli items. Not forgetting our family run Jam Kitchen creating all our jams, chutneys, pickles and many of our salad dressings.

At Craigies we take great pride in providing fresh, seasonal food that's grown on the farm, locally sourced whenever possible. We are proud supporters of our supply chain and are delighted to work with the following suppliers

- Pork + Lamb - hand reared here at Craigies
- Beef - Cattle from local estates & farms
- Chicken - from only UK farms
- Bacon - Ramsays of Carluke
- Haggis - MacSween's
- Black Pudding - Stornoway
- Eggs - Smeaton Farm, Edinburgh
- Milk - Bonaly Farm, East Lothian

*"I've been immersed in farming my whole life, following in the footsteps of my late father. Farming and family are at the heart of everything at Craigies Farm where we strive to offer a complete modern farm experience to showcase the value of farming to our communities and allow them to be part of it."*

*At Craigies Farm you can eat, shop, play and 'Pick Your Own' surrounded by stunning countryside. You can see the produce we grow in our fields, pick your own fruit, see how our jams are made and enjoy the very best in food and drink that's on our doorstep!"*
